Mission Statement or Comments ~ The vision of CHEF Co-Op is to provide a God centered, structured environment, which encourages growth and development, not only for the mind, but also for the spirit. We believe that proper education is essential to spiritual and social development. Our goals are to provide classes and curriculum that are as fun as they are beneficial for the students and their families. God has said that we should gain wisdom and knowledge. WE want to obey the heart of God and will make our efforts pleasing to Him. We invite other families to join us on this mission as we bring up our children in the joy and admonition of the LORD.
