

Guardian Speech and Debate Club
Maryville, TN

Our goal is to raise up a generation of Godly Christian communicators, distinguished by their character and obedience to Jesus Christ. We seek to equip them to understand the times and, in the spirit of Jesus Christ, be able to speak persuasively to the issues that shape our community, culture, and the world.

Guardian currently offers activities for students aged 9-19 with tentative plans to begin a Junior Track for students aged 5-8.
