Home School Gym Program

Exercise is important to providing a rounded education, so if you are looking for something fun to do that will really give the kids a great work out, we have just the thing. Bring the kids to Events at Sherlake for up to two hours of parent -supervised action. Come for climbing, jumping and bouncing fun in our 8000 square foot play area. Events at Sherlake is the largest indoor, inflatable game arena in Knoxville. We have giant slides, obstacle courses, bounce house, a toddler zone and a basketball game. It is comfortable and dry indoors, no matter what the weather is like outside.

Tuesday through Friday

10 AM until noon, public play, no reservation required
Show your home school ID during public play
Play pass (may be shared between siblings.)

\$6.50 per child
